

Web Developer

We are seeking a talented **Web Developer** with a graphic design background to join our team. Duties will include: creating and developing websites that both achieve and exceed our clients' marketing goals. This person is expected to be a self-starter and will be responsible for creating seamless and effective assets for websites and landing pages. This team member will need to be able to hit the ground running with all their creative knowledge in web solutions and graphic design in a fast-paced environment, working independently and with the creative team.

*** No applicant will be considered without samples of work.**

Duties and Responsibilities

- Work closely with our creative team and project managers to ensure clean workflow of projects through discovery, design, development, final approval and delivery
- Design and implement new website features and content, including graphic elements, site navigation and layout of content
- Ability to troubleshoot difficult or sensitive problems and find positive solutions while maintaining both short and long-term deadlines
- Regularly research emerging web technologies and industry trends
- Create email campaigns, from design to distribution
- Execute various aspects of production including scanning, digital retouching, image editing, special effects, file manipulation and layout

Minimum Requirements and Skills

- Bachelor's degree in a related field; or equivalent combination of education required
- Proficient with HTML/HTML5 and CSS/CSS3
- Proficient with Adobe Photoshop, Illustrator, InDesign and Acrobat
- Ability to work as part of a team in a busy design department, collaborating with several developers, graphic designers and project managers.
- Strong understanding of typography, color, layout and website interaction
- Knowledge in computer technology, the Internet and MS Office.
- Familiar with both Mac and PC

Knowledge, Skills, Abilities

- Excellent written and verbal communication skills, as well as, attention to detail
- Strong organizational skills that reflect ability to perform and prioritize tasks
- Highly resourceful team player with the ability to also be extremely effective independently
- Mature, responsible and self-motivated with a strong work ethic
- Maintain positive attitude when dealing with all team members and clients

*** No applicant will be considered without samples of work.**
